

WHAT DO I NEED FOR PRE-SCHOOL

These items should be brought and left in the school. When they are soiled or wet they will be sent home in a plastic bag. Please return clean clothing the next day.

We provide a cubby to keep your child's personal clothes in.

Please do not send in hard bags, they only serve to get in the way and often do not fit in the lockers causing a danger to our children.

		INFO
When the weather is very hot, please try to send in lighter clothes. As the children will be playing in the garden, they will need sunscreen and a sun hat.	When the weather gets colder, please bring in a hat scarf and gloves.	Before (every) Holiday break your child's clothes will be sent home. Please send in clothes after the holidays according to the weather/season.

Please do NOT send your child into school in his best clothes, as they will get dirty☺
